

CARGO INSURANCE ELECTION

Although we take great care to oversee the safe movement of your cargo, there is potential for loss or damage due to the perils of extreme weather, rough handling and theft as well as many other unforeseen occurrences. We strongly recommend protecting your cargo by accepting our offer of cargo insurance. Please review the following information prior to making your decision.

Compare the value of your cargo against the monetary liability of Carriers

Mode of Transit	Limit of Liability
Ocean Carriers	\$500/package or Customary Shipping Unit (CSU) based on the Carriage of Goods by Sea Act (COGSA).
International Air Carriers	\$9.07/lb. or approx. \$20/kg. under Warsaw Convention 19 SDRs* (Approx. \$29/kg.) under Montreal Convention or Warsaw Convention as amended by Montreal Protocol 4.
Domestic Airlines, Trucks & Railroads	\$.50/lb. customary \$.50/lb. customary, limited by tariff Limited
Couriers & Warehousemen	\$100 or less any one shipment Limited, no statutory federal protection

Carrier's statutory liability does not provide the same protection as cargo insurance. Consider the comparisons below:

Coverage Conditions	Cargo Insurance	Carriers Liability
Provides door-to-door protection	✓	?
Pays whether or not transportation provider negligence is proven to have caused the loss	✓	✗
Pays for losses occurring outside control of carrier	✓	✗
Pays shipper for the full invoice value of cargo lost or damaged plus freight and other associated costs	✓	✗
Can pay for expediting replacement goods	✓	✗
